Definitions (Cont'd)

Casual Caller:

Denotes any person who uses Company service from an equal access end office who does not have a current account with the Company for services subject to this tariff, to include: (i) any person who has not established an account with the Company who places calls over the Company's network from an equal access area; (ii) any presubscribed customer located in an equal access area who has either voluntarily terminated his Company account or has had his Company account terminated in accordance with the terms and conditions set forth in this tariff; and (iii) new or allocated customers whose accounts are not yet established in the Company's billing system."

Customer: A Customer may also function as a Casual Caller as defined in this tariff.

Cancellation by the customer (See Section B.5 for cancellation by customer)

If a customer cancels his order for service before the service begins, before completion of the minimum period, or before completion of some other period mutually agreed upon by the customer and the Company, a charge will be levied upon the customer for the nonrecoverable portions of expenditures or liabilities incurred expressly on behalf of the customer by the Company and not fully reimbursed by installation and monthly charges. If, based on an order by a customer, any construction has either begun or been completed, but no services provided, the nonrecoverable cost of such construction shall be borne by the customer.

Cancellation by the Company (See section B.11 for cancellation by the Company)

Upon nonpayment of any sum owing to the Company (See Section B-7.02), or upon a violation of any of the provisions governing the furnishing of service under this tariff, the company may, upon ten (10) days written notification to the customer, without incurring any liability, immediately discontinue the furnishing of such service.

Upon 14 days written notification, the company will discontinue furnishing service to a subscriber to Option A (Dial One/Direct Dial) of Metered Use Service who accesses MCI WORLDCOM by dialing a 7 digit access number and has not used the service for a period of 90 days and who appears, after investigation to have left the community.
