RE: American Fiber Systems, Inc. Reciprocal Compensation Amendment

Dear Judge Roberts:

On July 28, 2000, in Case No. TO-2000-782, the Missouri Public Service Commission approved an Interconnection Agreement between American Fiber Systems, Inc. ("American Fiber") and Southwestern Bell Telephone, L.P. d/b/a SBC Missouri ("SBC Missouri"). That agreement became effective on August 7, 2000.

American Fiber and SBC Missouri have agreed to an amendment to this Interconnection Agreement entitled: "Amendment - Missouri ISP-Bound Traffic Intercarrier Compensation (Adopting FCC Interim Terminating Compensation Plan)", pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, which we request that you file and bring to the attention of the Commission.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Attachment
