Re: Case No. TK-2006-0455
Amendment to Covad/AT&T (SBC/SWBT) Interconnection Agreement

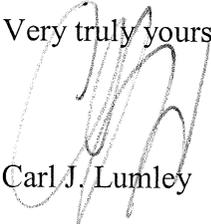

Dear Secretary of the Commission:

Pursuant to the Commission's Order issued in the above-styled proceeding on July 11, 2006, enclosed please find for filing with your office an approved Amendment to the Interconnection Agreement between our client Covad Communications Company and Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri, with pages sequentially numbered starting with number 949 and ending with number 958.

Also enclosed please find for refiling with you office a copy of an approved Amendment that was filed on September 18, 2003 in connection with tracking number VT-2004-0013, which was an amendment to the Interconnection Agreement between Covad Communications Company and Southwestern Bell Telephone, L.P. d/b/a SBC Missouri, the pages of which have now been sequentially numbered from 936 through 948. At the time this document was filed on September 18, 2003, the pages numbers were inadvertently omitted and this omission was just discovered.

Thank you for your attention to this matter. Please contact us if you have any questions or need any additional information.

Very truly yours,

Carl J. Lumley
