## **APPENDIX WP (WHITE PAGES DIRECTORY)**

### **1. INTRODUCTION**

- 1.1 This Appendix sets forth the terms and conditions for White Pages Directory Services provided by SBC MISSOURI to MCI. The terms and conditions for White Pages Directory Services being provided for MCI's resale end user customers are set forth in Appendix Resale.

### **2. SERVICE PROVIDED**

- 2.1 SBC MISSOURI publishes alphabetical White Pages (WP) directories for its geographic local service areas. MCI provides local exchange telephone service and wishes to include listing information for its end users in the appropriate SBC MISSOURI WP directories.
- 2.2 MCI also desires distribution to its end users of the WP directories that include listings of MCI's end users.
- 2.3 SBC MISSOURI will include in appropriate WP directories the primary alphabetical listings of all MCI end users located within the local directory scope.
- 2.4 When MCI provides its subscriber listing information to SBC MISSOURI listings database, MCI will receive for its end user, one primary listing in SBC MISSOURI WP directory and a listing in SBC MISSOURI's directory assistance database.
- 2.5 MCI shall furnish to SBC MISSOURI, in a form acceptable to both Parties, subscriber-listing information pertaining to MCI end users located within the local directory scope, along with such additional information as SBC MISSOURI may require to prepare and print the alphabetical listings of said directory. MCI will submit listing information within one (1) business day of installation, disconnection or other change in service (including change of non-listed or non-published status) affecting the directory assistance database or the directory listing of an MCI end user. MCI must submit all listing information intended for publication by the directory close date. Both parties will use commercially reasonable efforts to ensure the accuracy of the submission and processing of the listing updates.
- 2.6 MCI may provide its subscriber listing information to SBC MISSOURI for inclusion in the WP directory via either a mechanical or manual feed of the listing information to SBC MISSOURI's directory listing database. MCI agrees to submit all listing information via readily accessible, electronic, or other mutually agreed format. Notwithstanding the foregoing, MCI may continue to manually submit directory listing information for complex caption sets with two (2) or greater degrees of indent.
- 2.6.1 At least sixty (60) calendar days prior to the directory close date for a particular directory, SBC MISSOURI will provide MCI upon request an electronic verification report, in directory appearance format, of all its subscriber listings as such listings are to appear in the directory. MCI will make its request for this report at least eighty (80) days prior to the directory close date for a particular directory. MCI shall review this electronic verification list and shall submit to SBC MISSOURI any necessary additions, deletions or modifications via the appropriate directory listing correction process no less than thirty (30) days prior to the directory close date for that directory, provided that SBC made the electronic verification list available to MCI in a timely manner as specified above.

## 2.7 DIRECTORIES

2.7.1 SBC MISSOURI shall direct its directory publishing affiliate to offer delivery of newly published White Pages directories to MCI's end user customers pursuant to terms and conditions agreed to by the publishing affiliate and MCI.

2.7.2 Intentionally Omitted

2.7.3 SBC MISSOURI has no obligation to warehouse WP directories for MCI or provide WP directories to MCI's end users subsequent to the annual distribution of newly published directories.

2.7.4 MCI may arrange for additional directory distribution and other services with SBC MISSOURI's directory publishing affiliate.

2.8 SBC MISSOURI will include MCI's specific information, i.e installation, repair, customer service and local sales office information and, where required by regulatory bodies, payment address in the White Pages directory on an "index-type" information page, in alphabetical order along with other local service providers, at no charge. Such information shall appear in the same manner as such information appears for other CLECs. In order to have such information published, MCI will provide SBC MISSOURI the information sixty (60) calendar days prior to the directory close date and in accordance with the instructions provided on SBC's CLEC Online Website.

## 3. USE OF SUBSCRIBER LISTING INFORMATION

3.1 SBC MISSOURI agrees to serve as the single point of contact for all independent and third party directory publishers who seek to include MCI's subscriber listing information in an area directory, and to handle MCI's subscriber listing information in the same manner as SBC MISSOURI's subscriber listing information. In exchange for SBC MISSOURI serving as the single point of contact and handling all subscriber listing information equally, MCI authorizes SBC MISSOURI to include and use MCI subscriber listing information provided to SBC MISSOURI pursuant to this Appendix in SBC MISSOURI's WP directory, SBC MISSOURI's directory assistance databases, and to provide MCI subscriber listing information to directory publishers. Included in this authorization is release of MCI listings to requesting competing carriers as required by Section 271(c)(2)(B)(vii)(II) and Section 251(b)(3). Also included in this authorization is SBC MISSOURI's use of MCI's subscriber listing information in SBC MISSOURI's directory assistance, directory assistance related products and services, and directory publishing products and services.

3.2 SBC MISSOURI further agrees not to charge MCI for serving as the single point of contact with independent and third party directory publishers, no matter what number or type of requests are fielded. In exchange for the handling of MCI's subscriber list information to directory publishers, MCI agrees that it will receive no compensation for SBC MISSOURI's receipt of the subscriber list information or for the subsequent release of this information to directory publishers. Such MCI subscriber list information shall be intermingled with SBC MISSOURI's subscriber list information and the subscriber list information of other companies that have authorized a similar release of their subscriber list information by SBC MISSOURI.

3.3 Each time a third party publisher requests MCI's listings, MCI shall not be required to submit a letter of authorization.

## 4. PRICING

4.1 Intentionally Omitted.

- 4.2 Where a MCI end user requires foreign, enhanced or other listings in addition to the primary listing to appear in the WP directory, SBC MISSOURI will assess MCI a charge for such listings in accordance with Appendix Pricing. An additional charge applies when MCI wishes to list an End User in SBC MISSOURI directory assistance database but does not wish to have its End User listed in SBC MISSOURI's WP directory. In addition, MCI may elect to have its End Users unlisted and the listing not published in SBC MISSOURI's WP directory for those nonpublished, nonlisted services in accordance with Appendix Pricing.
